

# People's Council Action Log

| Action No  | Subject  | Action to be Taken  | Owner       | Outcome/Update  | Status   |
|------------|--|---|-------------|---|----------|
| PC 15/076  | <b>Phlebotomy</b>  | Hazel to investigate costs to send a health worker on a phlebotomy course.  | Hazel       | Hazel to give an <b>update on Phlebotomy under matters arising</b>  |          |
| PC 15/077  | <b>South Nottinghamshire Transformation Partnership update</b> | Sam Walters will be on AL in October so agreed that November's meeting will be given the majority of the meeting where Jane Loughton will be invited to the meeting.  | Sam Walters | On the agenda for November  | On-going |
| PC 15/075- | <b>Community Pharmacists</b>                                   | Recognised that we need to change behaviours and challenge pharmacists but we need to go through the correct channels - NHS England hold the contract with community pharmacists so this will need following up with them- Action         | Hazel       | Steven Storr produced a patient story in relation to repeat prescriptions and will send to NHS England- <b>Update under matters arising</b> |          |
| PC 15/107  | <b>Primary Care Strategy</b>                                   | The group to read the paper and feedback comments to Sam Marlow. The paper will come back to the meeting in October for further discussion  | PPG leads   | On the agenda for October   |          |
| PC 15/074  | <b>Shared Decision Making</b>                                  | Michael Ellis informed the group that the SDM training event for GPs is taking place on the 7 October, 1.30pm-4.30pm at the Richard Herrod Centre. PPG leads to inform Sam Marlow of People's Council rep to attend the training- Action. |             | Chris Foster attended the training and will <b>update the group under matters arising</b>   |          |
