

## Partners in Health Charter for NHS Nottingham North and East CCG

*"We commit to enshrining the principles of "Partners in Health" in our role as commissioners of healthcare for our population registered with general practices in the NHS Nottingham North and East CCG area.*

*this means that, wherever possible, we will:*

- ~ recognise patients & clinicians as **valued partners***
- ~ include **shared decision making** as a vital part of patient care*
- ~ provide **information** for patients, families and carers*
- ~ commit to a **whole person rather than a condition centred approach***
- ~ support and promote **self management** by patients of their condition(s)*
- ~ make sure that services and responses **meet the diverse needs of patients***
- ~ introduce **Health and Wellbeing plans** for all patients with one or more long term condition*
- ~ **co-design the development of health and care services** for people with long term conditions with patients, carers and families*
- ~ **evaluate services provided** for people with long term conditions with patients, carers and families"*
